

We'll Manage Your AEDs, So You Don't Have To

At AED Path, we provide complete maintenance solutions to ensure your Automated External Defibrillators (AEDs) are always in optimal condition, compliant with regulations, and ready for any emergency. With our maintenance plans, you can focus on your business while we handle the rest.

Our AED Maintenance Plans Include:

Pads & Batteries: Free replacement of pads and batteries when needed.

AED Loaners: Provision of loaners if AEDs are unavailable.

Compliance: Ensuring the AED is compliant with State & Federal laws.

24/7 Support: 24/7 support and service for any questions or issues.

Inspections: On-site AED inspections.

AED Registration: Registration of AED with local EMS as required by law.

Why Choose AED Path?

- **Low Costs, No Hidden Fees:** Service included in all plans.
- **Time-Saving:** We manage your AED program, so you don't have to.
- **Regular Inspections:** On-site inspections to ensure safety & compliance.

- **Free Maintenance:** Including pad and battery replacements.
- **24/7 Customer Support:** Always here to help with any questions or emergencies.
- **Post-Use Support:** Comprehensive support if your AED is used in an emergency.
